Promotion: Direct Services to Brazil

We have recently rolled out a new program starting from mid of January 2016 to promote our direct services to Brazil. This is a strategic partnership with our long term partner, Craft, one of the leading consolidators in Brazil.

With a coastline of 8,500 navigable kilometers, Brazil has a very large port sector that responds alone for more than 90% of the country's total exports and imports. Globelink offers direct services from Asia to all 6 destinations in Brazil:

- Santos
- Vitória
- Paranaguá
- Itajaí
- Rio Grande
- Rio de Janeiro

This promotion was communicated via various platforms including Asian Shipper and WeChat App.

For more information on the program, please contact our local Globelink offices directly.
