Globelink Pakistan's 20th Anniversary

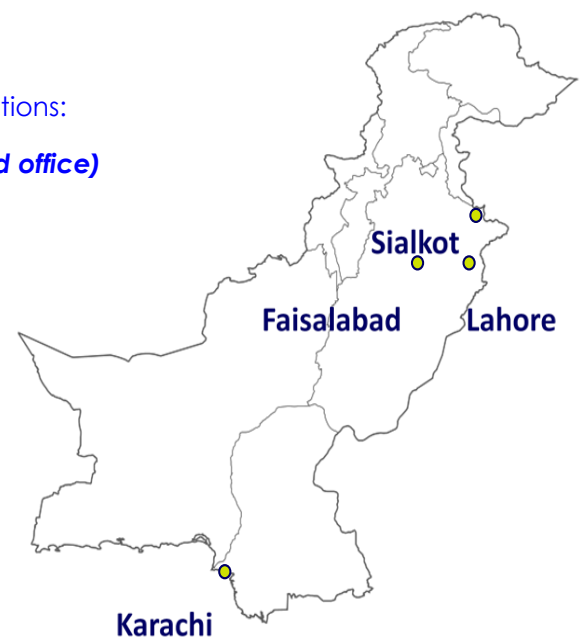

Globelink Pakistan, was formed in 1997 and this year marks Globelink Pakistan's 20th Anniversary. We are delighted to congratulate them with such a milestone achievement showing dedication and commitment to their customers.

Globelink Pakistan, together with the Globelink Group, is committed to link our customer's cargo to anywhere in the world. With our strong network of offices, efficient transshipment hubs, well connected inland distribution points, quality agents as well as integrated freight management systems, Globelink Pakistan delivers to our customers' reliability, efficiency, flexibility and best value added service.

Globelink Pakistan office locations:

- **Karachi (Country Head office)**
- *Lahore*
- *Sialkot*
- *Faisalabad*

Country Focus - Pakistan

SERVICE COVERAGE

Globelink Pakistan strongly serves 16 direct import services and 10 direct export services.

Globelink Pakistan handles project cargo, provides value added activities such as repacking, re-palletization, customs clearance, door to door transportation to meet all customers' requirements. They also deliver multi-modal transportation solutions incorporating airfreight, Seafreight (LCL & FCL) and land transportations.

Furthermore Globelink Pakistan services weekly consoles to Prague on a regular basis, which allows for deliveries to following destinations: Ostrava, Vienna, Linz, Bratislava and Budapest.

IT CAPABILITIES THROUGH THE WEB PAGE

Our e-services helps to track and trace the shipment online.

Our website seeks to provide the right tools to offer our customers more convenient LCL solutions.

The Track and Trace system allows full traceability of import/export operations, from origin to destination, and ensures the safe delivery of your cargo. Customers will be able to access pictures of their cargo, and also able to inform if the end user has removed the goods from the destination warehouse.

These unique features differentiate Globelink Pakistan as the market leader at the forefront of technologies development amongst the maritime neutral consolidators in Pakistan.

Globelink Philippines

THE PEOPLE IS THE STRENGTH AND GREATEST ASSET

Market competition in the shipping industry is rigid yet significantly challenging. Globelink Philippines has a team of efficient employees who are dedicated to provide maximum customer satisfaction. Globelink Philippines takes pride in having a highly competitive operations team and a greatly innovative sales force. To put this to the test, Globelink Philippines had its first team building event which was the perfect opportunity for employees to build trust and deeper relationships.

CORPORATE SOCIAL RESPONSIBILITY - Pangarap Foundation Inc.

Globelink Philippines supports the Pangarap Foundation to create a positive future for street children and their families. Through the sponsorship assistance provided by valued customers and partners, Globelink Philippines participated in the distribution of school supplies, food supplies and medicines to the needy.

It will always be Globelink's endeavour to put our best foot forward to further elevate and extend the helping hand on promoting continuous support to children's education.

SERVICE COVERAGE

Globelink Philippines strongly serves 10 direct import services from various origins to Manila and Cebu and 7 direct export services. Aside from the prime and strong Import & Export LCL consolidation services of the Philippine office(s), the team also caters FCL import & export services, special project cargoes, international & domestic airfreight forwarding, trucking/haulage, customs clearance, warehousing, palletizing/packing/crating and other value added services which makes Globelink Philippines very competitive on serving door to door for both import/export transactions.

Philippine International Seafreight Forwarders Association (PISFA)

Globelink Philippines are accredited as members of PISFA. PISFA provides numerous opportunities to engage in seminars and trainings pertaining to the shipping and logistics business. These events allow Globelink Philippines to create an additional network on a local scale. PISFA also initiates to create a platform for forwarders to share trends and new market requirements.

The likes of which will assist and promote continuous business knowledge and development for its members. Forums and discussions are also held to provide a platform for business professionals to raise innovative ideas for the future of the industry.
